LOOK AROUND

Ekaant is the perfect blend of modern architecture and quaint natural surroundings. At Ekaant, the extravagant 4BHK luxurious apartments are complimented by turquoise waters and rich green foliage that guarantee you and your family a well-deserved, healthy lifestyle. These luxury living spaces take you away from the fast-paced city life and places you right in the lap of Mother Nature

Ekaant has been conceived and planned by Architect Umesh Bagul. The site has been meticulously executed to provide residents with a one of a kind experience in Nashik that makes the most of the area's abundance of fresh air, flowing water and natural sunlight.

Each home in Ekaant has been positioned and finished in way that it complements the location, the view and the gradient. Every home here has an abundant supply of natural light and breeze.

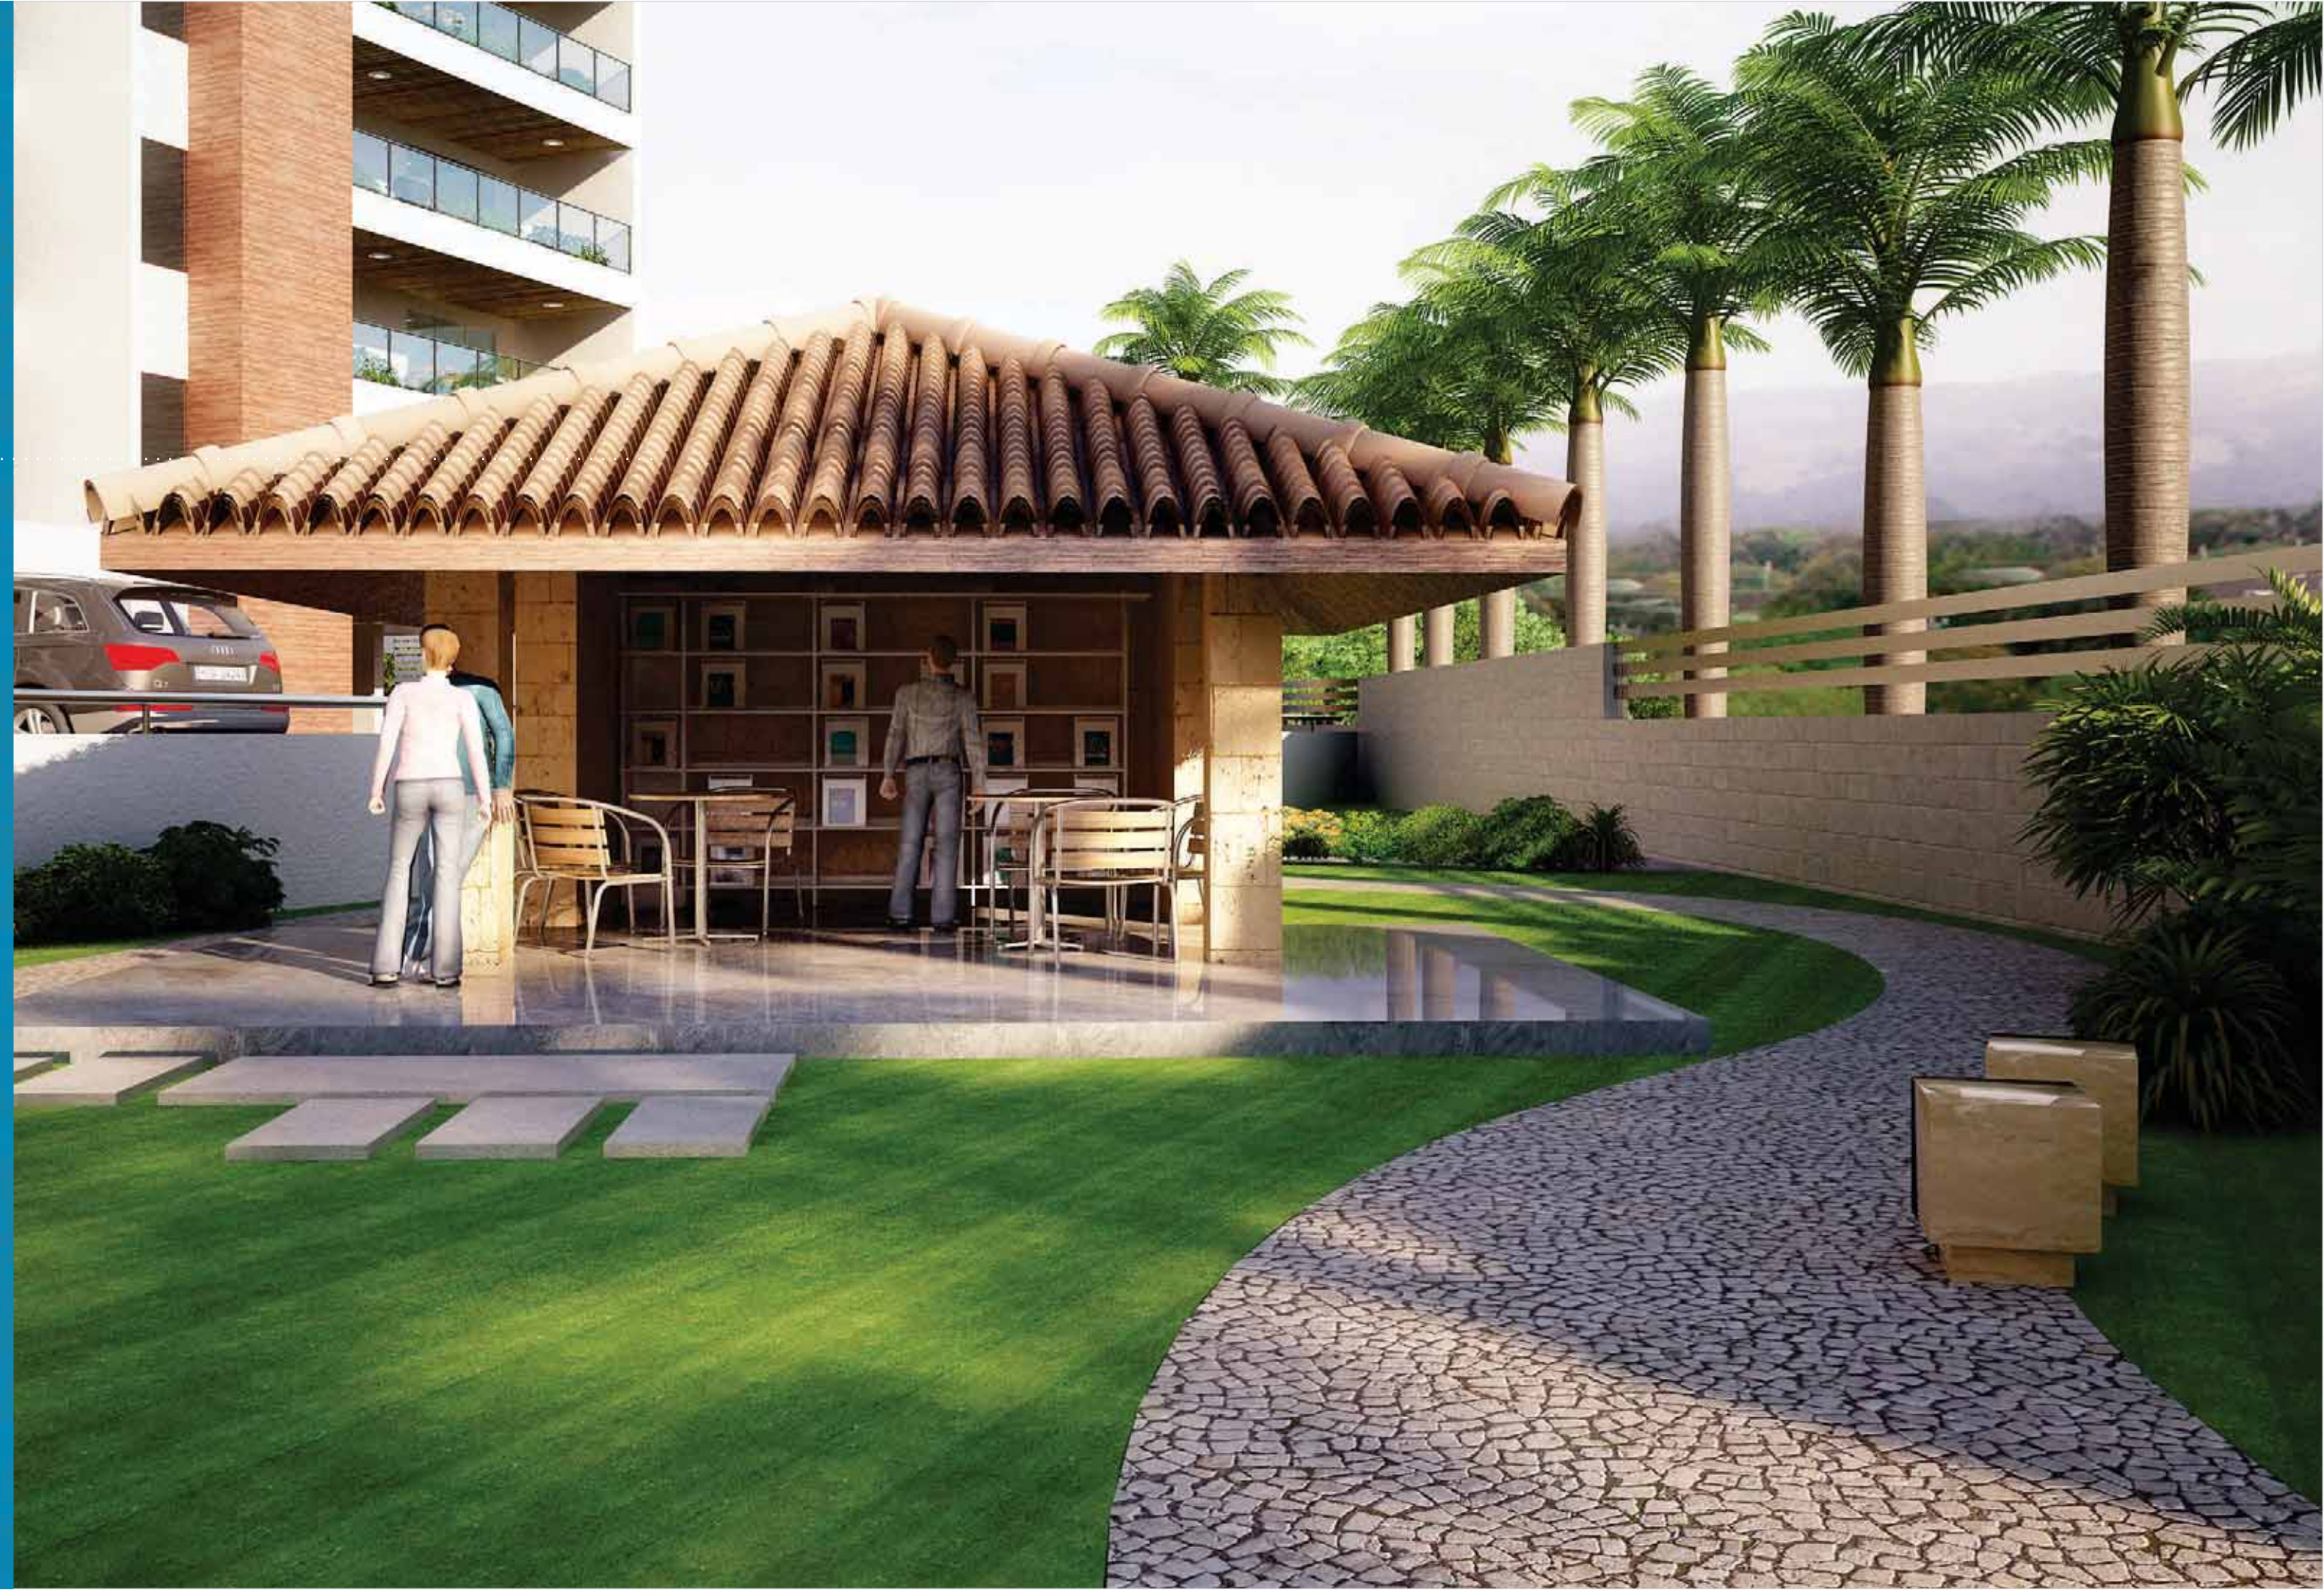

Life in Ekaant is completely eco-friendly. You can enjoy amazing views, unobstructed sunlight from sunrise to sunset and continuous fresh air. With so much greenery around, life indeed is beautiful.

At Ekaant, you can truly enjoy a healthy- living experience. With the Godhawari River in close vicinity, the air surrounding Ekaant is absolutely pure and rich in oxygen.

Ekaant boasts of its very own private library within the premise. Here resident can enjoy instant access to various Indian and international magazines at any given time. Also, there are different newspapers available at your disposal every day. This way, we ensure you have enough to catch up with the world, read your favourite novel or simply meditate in blissful solitude.

The Ekaant Club House is not like just any another club house. Here you have plenty of space for meetings and parties too. A very unique feature of the Club House is the fully furnished guest room. This makes it very convenient for the residents when guests arrive. The guest room ensures the guests live comfortably without the need of having a separate room in the apartment. Attached to the club house is a swimming pool and a state-of-the-art gymnasium for you to stay in shape.
